Fabrefaction Theater Company has been a part of the Marietta Artery scene since 2007, tucked away on Brady Avenue. A 501(c)3 non profit, its mission is to be a resource for new artists, pros, and the community at large, enabling everyone to have professional performance opportunities. Since landing in our neighborhood, they've produced eighteen shows.

RESIDENT OF THE MSAA COMMUNITY? If so, the MSAA is issuing you a special invite to attend. We are the only organization specifically watching out for your interests (property development, security, and other areas). We strongly encourage you to come check us out at this meeting and any questions you wish.

OTHER HAPPENINGS AT THE MEETING. We will have our security updates from Atlanta Police Department, and MSAA president Suzanne Bair will be able to answer any questions about the neighborhood map and Website that is fast coming together to promote this great side of town.

We hope to see you there.
